Comunicado urgente

Caros concidadãos: o momento é difícil para todos e eu não fujo à regra. Mas só temos uma solução possível: cumprir com todo rigor as instruções dadas pelas autoridades americanas.

Sei que a nossa comunidade ainda está com hábitos que tinha antes desta pandemia. Por favor, temos de alterar esses hábitos, estamos perante uma situação crítica e muito séria. Um flagelo.

Está pandemia muda o paradigma do nosso modo de viver, o meu também e do mundo.

Peço-vos encarecidamente que fiquem em casa, que esqueçam tomar o café com os amigos de sempre, que evitem multidões e aglomerados de pessoas. Temos de proteger as nossas famílias e as famílias dos outros.

O isolamento familiar é imperativo, cuidemos uns dos outros.

Em caso de sintomas, contactem as autoridades. Vamos mostrar que somos portugueses, que somos responsáveis.

Aceitem um abraço amigo e solidário.

Urgent announcement

Dear fellow citizens, these are difficult times for us all, however, it is imperative that we follow the rules. The only solution for us to all get through this crisis is to vigilantly adhere to the instructions and rule which have been promulgated by the American authorities.

I know that our community is, to a great extent, still in the mindset we had prior to this pandemic. However, we must break away from our habits and customary way of life until we have successfully navigated this horrendous scourge.

This pandemic changes the paradigm of all of our way of life, on a worldwide scale.

As a result of the reality in which we currently find ourselves, I implore you to follow the instructions of our leaders. I ask you to stay at home, to abstain from having breakfast with your old friends, to avoid crowds of people. We have to protect our families, and in so doing, protect the families of others. Family isolation is essential. We all must do our best to take care of each other in these dark times.

In a circumstance where one exhibits the symptoms of Coronavirus, please contact the authorities for instructions. Let us show that the Portuguese are responsible people.

I wish you ALL good health as we navigate this pandemic together.
